Dear Mr Jaykishan Vansadawala,

I am writing to inform you of my intention to resign from my job as FullStack Developer at iPangram Digital Services.

I have thoroughly enjoyed my time working at iPangram Digital Services, and I am genuinely grateful for the opportunities I've had to contribute to the team and the organization as a whole. The experiences I've gained during my time here have been invaluable, and I appreciate all the support and mentorship I've received from you and my colleagues.

I have decided to accept a new opportunity as a Fullstack Developer with another company. This new role aligns more closely with my long-term career goals and will allow me to further develop my skills and expertise in this domain. I am excited about this new chapter in my career, and I believe it is a step in the right direction for my professional growth.

I appreciate the opportunities you gave me during my time at iPangram Digital Services.

Thank you,
